

## **EUREKUS AT POLARIS DETAILS – Fall 2018**

### **EUREKUS - STEAM & Maker Discovery! (3<sup>rd</sup>-5<sup>th</sup> Grade)**

Join our award-winning STEAM and Maker enrichment program. Engage with science and engineering through creative experiences and charge your imagination in dynamic ways! Students have a blast becoming “Artist Explorers” – investigating how our world and universe works. From kinetic sculpture to high-tech inventions, learners work hands-on creating with our visiting artist mentors and NASA consultants, Tyler & Monica Aiello. They also gain crucial STEM foundations through meaningful and fun discovery. Enjoy NASA programs, mechanical inventions, soldering & electronics, motors & LEDs, sculpture, painting, experiments and more!

*US2020 STEM Mentoring Awards Finalists – The White House*
