

Drawing & Cartooning Classes

for kids

at Polaris at Ebert School!

Young Rembrandts

Enroll your elementary student in a Young Rembrandts cartoon and drawing class. In our goofy animal portraits, students will learn how to personify animals, transforming them into cartoon characters. The importance of facial exaggeration and body gesture will be showcased in our illustrations featuring baseball characters and ogre expressions. And, in keeping with the season, our students will create fall-themed illustrations like a farmer's scarecrow and covered wagon. Stylized art styles will be explored through our tarantula line art and Van Gogh-inspired drawing featuring vibrant sunflowers. Give your child the gift of learning and artistry.
